*I'm amazed at my students' progress - not only in writing, but also in other content areas such as math, FACS, ag and social studies since we have implemented the Writing to Win system.*

**Writing to Win** is a proven system for increasing students' content knowledge, creative thinking and writing skills – effectively closing achievement gaps in every subject. During this training, we'll work through a three-phase system for increasing student learning in all content areas and enhancing student writing skills:

- Phase 1: Journal Strategies  
(50 participant limit)
- Phase 2: Process Writing  
(Pre-req. Phase 1 - 50 participant limit)
- Phase 3: Language Skills & Integration
